SYNC YOUR CITI TRAINING RECORDS WITH ERMP TODAY!

Say goodbye to the time-consuming task of manually uploading your (study team's or team member's) CITI Completion Report/Certificate.pdfs to each IRB application.

You can now automatically sync your CITI Training records directly with your User Profile on ERMP.

Don't miss out on this! Simply check that your account has been configured for the sync with just a few clicks; ensure that your CITI profile has your NTU/NIE email address in all the right places and you're all set!

Step-by-step instructions can be found in our IRB guidelines [here](#).

NOTE:

1. It may take 1-2 days for your CITI training status to be reflected in ERMP upon updating your email address.
2. For those with multiple CITI accounts affiliated with NTU, make sure to update your NTU/NIE email only in the account that contains your latest completion records.
