(NEW) RISK MITIGATION PLAN

Receiving datasets? How can I ensure that the PI and my unit are ready?

HODs (Deans/Chairs/Directors)

RISK MITIGATION PLAN (RMP)

Self-Assessment Tools Developed by RDAC & RSO

READ MORE

The two-page Risk Mitigation Plan (RMP) were developed by Research Data Access Committee (RDAC) and RSO (Secretariat to RDAC) as a resource tool for HODs in their assessment of the completeness and readiness of their PIs and units to receive datasets from external data providers.

For any queries, please contact rso-rdm@ntu.edu.sg

Why Open Research, and how does it translate into real research?

Find out at Singapore Open Research Conference,
12 Nov 2024, at Shaw Foundation Alumni House, NUS.
